

Breaking the Chains of Human Trafficking

“modern-day slavery and involves the use of force, fraud, or coercion to obtain some type of labor or commercial sex act.”

–Department of Homeland Security Website definition

Myth: Human trafficking victims are only foreign born individuals and those who are poor.

Fact: Human trafficking victims can be any age, race, gender, or nationality. They may come from any socioeconomic group.

Many myths exist in our understanding of what Human Trafficking is and who it impacts...

The Education Committee and the Mission Advocacy Committee of the Carlisle Presbytery are working together to bring awareness to the impact of Human Trafficking in our region. Please join us Sunday June 9th for a presentation to help us understand what it is, who the victims are, and what we can do to bring awareness and help to victims.
