

On **Saturday, September 25, 2021**, The Presbytery of Carlisle will gather, beginning at **9:00 a.m. on Zoom**.

The docket and other materials for reference during this meeting are found on the [Presbytery Meetings page](#) of our website. Please use [this link](#) to pre-register. Upon registration, you will be directed to a page that gives the Zoom link.

The Presbytery of Carlisle is adapting to a changed world. What does that mean for you and your congregation? And where are we headed? These questions are front and center, in all that we're doing. See our Narrative Budget document, posted under the Administration Committee heading on the Presbytery meetings page. It describes the framework in which we are held as we navigate the prevailing winds. And it interprets some intentions for our projected 2022 budget. A report from the Interim Executive Presbyter will help us think about where we've been so far and give us a sense of direction for whatever lies ahead. Action on by-laws and standing rules will pave the way toward greater flexibility in our life together.

Our meeting will follow a **Worshipful Work** model which weaves elements of worship throughout the meeting, beginning with liturgy and a sermon by a candidate to be examined for ordination. We'll conclude our time together with a Mid-day prayer.

We'll also hear about the important work Presbyterians have been doing in Pakistan, to provide education to all, regardless of race, religion, or ability to pay. Vida Javaid Gill, Executive Director of the Presbyterian Education Board in Pakistan, while visiting in Hershey will Zoom in to tell us about the 25 quality schools PEB operates in Pakistan, providing a student body of 58% Christian & 42% Muslim a safe place to learn in harmony.

The offering received at this meeting will go to the General Scholarship Fund of the Friends of PEB. Click [here](#) to learn more about how your offering will transform lives, one scholarship at a time.

You may give through **Give Now** button on our website, through the **Give +Plus** App downloadable to your cell phone or by **mailing a check** payable to the Presbytery of Carlisle.

We strongly recommend that each person attending this meeting with voice and vote be signed into Zoom on a device that includes both aural and visual participation. Please also verify that you are using the most latest version of Zoom. And take some time to read in advance, the materials coming to the presbytery for action. This will facilitate your participation in all elements of the meeting.

When you register, we've added a way for you to let us know about any **Minister Milestones** we could celebrate at the meeting as well as **joys or concerns** to be lifted up in the prayers of the presbytery.

Blessings,

Cheryl D. Galan, Interim Executive Presbyter
