

## Moving For Krislund

Moving for Krislund was such a success last year we hope that we can have similar success again this year! This fundraiser for Krislund will help continue pushing us forward into the future. We want to continue to provide the experience where all people can;

ENCOUNTER GOD, BUILD RELATIONSHIPS and EXPERIENCE CREATION.

Through this fundraiser we are hoping to build better, more exciting experiences long into the future. That being said we are dedicating the funds for this fundraiser for certain use. Here is the breakdown for the funds we raise this year!

*25% towards Krislund's Future (Endowment/Investments)*

*65% towards property and program development*

*10% towards Krislund Scholarships for summer 2022*

### Here's how to Participate!

With the hope of raising \$25,000 Krislund with the support of Huntingdon, Carlisle and Northumberland Presbyteries are running the second annual **Moving For Krislund Fundraiser**. Here are two basic ways that you can participate:

1. You can walk, run, or ride bikes, in doing so, you seek pledges for each unit of activity such as each mile walked, run or biked.
- or**
2. You can help Krislund move forward by cheering on and financially supporting those who are participating in the virtual movement.

This year we have the privilege of utilizing a new software to make this fundraiser as smooth as possible! Each mover will have their own page where they can keep track of the amount of donations they are receiving. On this page they may also keep supporters up to date on how many miles they have gone and just let supporters know how it is going. An added benefit is that supporters can also comment on the mover's page with support and to cheer them on! Additionally, each mover will be able to set a personal goal amount on their personal page.

For supporters there are two ways to show support for Moving for Krislund! You can go to our event page and donate to the event. There you will also see a search bar where you can search for movers to support!

Here is the link to our website where there is more information as well as the button for the Event Page. [www.krislund.org/movingforkrislund](http://www.krislund.org/movingforkrislund)

# KRISLUND

# **Moving for Krislund**

## **Sept 18 - Oct 16, 2021**

In 2020, Krislund's churches, alumni, and camper families came together to raise over \$30,000 to keep our doors open. This year, we are again asking for your help to walk, run, or bike to help raise \$25,000 for Krislund's endowments, program enhancements, and camper scholarships!
