

Communion Training for Ruling Elders

The Presbytery of Carlisle exists to support our congregations in the name of Jesus Christ. Many churches within our bounds face the challenge of having inadequate pastoral coverage to offer the Sacrament of the Lord's Supper on a consistent basis. In light of that reality, COM is pleased to offer training to equip Ruling Elders to serve Communion within their own congregation (Book of Order G-3.0301b). Upon completion of this training, Ruling Elders will be authorized to serve Communion in their own congregation for three years.
